

MEMORANDUM FOR: DD/ICS

Executive Registry

FROM: EA/DDCI

Eloise:

Afraid there is a misunderstanding here. The DDCI is opposed to sharing HUMINT plans with Congress in anyway. He believes they are like "report cards." if you will.

reluctant to participate in the program if they knew these were being shared outside the Executive Branch. The DDCI, in effect, considers the HUMINT Collection Plans similar to IG reports.
